Technical drawing of a connecting plate (П-4-угол45-25). The plate has a rectangular base with a 45-degree angled top. Dimensions are given in millimeters. The overall width is 43 mm, and the overall height is 40.3 mm. The base width is divided into 9 mm and 25 mm segments. The base height is divided into 10.5 mm and 29.8 mm segments. The angled top has a slope of 1:1 (45 degrees). The top edge has a total length of 38.7 mm, with a 9 mm segment on the left and a 29.8 mm segment on the right. The right side of the plate has a vertical edge of 24.3 mm and a horizontal edge of 10.5 mm. There are four circular holes, each with a diameter of 5.5 mm (labeled as $\phi 5,5$ / 4 отв.). The plate thickness is 2 mm (labeled as $S=2$).
